

the best **\$36** you'll spend this season (or less)

A great pair of tights instantly updates your holiday look! The best-dressed gams are decked out in juicy, jewel tones and cozy, patterned knits.

"Fall hosiery is more interesting than the black opaque standard that has dominated past seasons. Colour and texture add visual interest, while sheers and semi-sheers offer a sleek and sophisticated new look when paired with new shoe shapes."

– Janice Lawson, Divisional Director, Holt Renfrew
