**Silks S09 Collection-It's Precious Metals, High Shine & Sheer Brilliance**

It's metal mania this Spring as we take a sneak peek into Silks S09 Collection.

Precious metals, high shine & sheer brilliance are this Season's Colour Palette. Platinum, Bronzed & Golden are the new "IT" colours for this Season to ensure that you will shine & be in the spotlight.

With the shirtdress continuing to rule the runways & street, legwear is key & so great leggings, tights & hosiery are essential. With options like the Fishnet Shimmer Lace Down Capri (retails for \$15.00 each) or be bold & make a statement with the Lurex Shimmer Knee Hi with Lace (retails for \$7.50 each) for that outfit that needs a little kick! What else could a girl need? A girl can never have too many shiny, pretty things.

Sheers are a great way to dress up your legs when Winter hasn't really ended yet & Spring is trying hard to bloom into Season. So put away those heavy tights & add a little pizzazz to your legs with Silks Sheers. Try the Shimmer Diagonal Stripes Control Top or the Shimmer Criss Cross (both retails for \$13.00/pair). So step into Silks & add a little shine to your legs this Spring & feel the spotlight.

Silks Fashion Legwear are available @ the Bay, Sears & other Specialty Boutiques.
